

The Saskatchewan Motosport Association would like to congratulate you on your new or renewed CMRC membership and we welcome you to the 2017 season of the Saskatchewan Motocross Provincial Championship Series.

Since the year end, the SMA has been working very hard to ensure that we offer one of the best series and program in the country. Our members deserve the best, and we intend to work towards providing that each and every year. With that has come some changes we feel will better the racer and fan experience.

Listed below are changes and things you will continue to see in 2017. See you at the races!

- Registration will continue with the Self Registration system with two touchscreen laptops. Membership cards will play an important role in your registration process this year. You will notice a bar code on your membership card, and this will be used to scan you in, and populate your rider information. Once scanned, the rider will then go through the process of verifying information like racer number and transponder number. You will then select your classes. The system will automatically print out your entry sheet with your information to hand to the registration staff.
 - **Only Self Registration will be used in 2017.**
 - **Moto Registry will not be used or accepted in 2017**
- Entry Fees for 2017 will be:
 - \$35.00/Pro Class Entries
 - \$30.00/All Other Class Entries
 - Gate Entry Fees will remain at \$10.00/person in 2017
- **NO MOTO DROPS IN 2017**
- Debit/Credit will be available at track for Registration in 2017 - Look for details while registering
